Request for Expression of Interest (EOI) for

Individual Consultant [National]

The People's Republic of Bangladesh has allocated a fund under Development Budget and intends to apply part of the proceeds for payments under the contracts for Consultancy Services by Individual Consultant under Feasibility Study for Important Bridge Construction on Rural Roads Project (1st Revised). The objective of this assignment is to assist Local Government Engineering Department (LGED) to prepare structural design, drawing and estimate for bridges to be constructed at different locations in Bangladesh. The undersigned on behalf of Local Government Engineering Department (LGED) now invites eligible Individuals (Individual Consultants) to indicate their interests in providing the Services. Interested Individual Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. Details of the services are as follows.

| Sl No | Name of Post | No of post | Duration of service | Experience, education and other requirements |
|-------|---------------------|------------|---------------------|---|
| 1 | Structural Engineer | 01 | 04 Months | Educational Qualification: Minimum Bachelor degree in Civil Engineering from any recognized institutes / University. Experience: Minimum 15 years of experience in Structural Design of PC and RCC bridge by using Bridge design software. |
| 2 | AutoCAD operator | 02 | 06 months | Educational Qualification: Minimum Diploma in Civil Engineering or Architecture with AutoCAD course or having AutoCAD course from any recognized Institute or Equivalent Degree Experience: Minimum 5 years of experience in AutoCAD drawing of bridges by using AutoCAD or any other software. The experience may be reduced for the candidates having outstanding performance. |
| 3 | Estimator | 02 | 06 months | Educational Qualification: Minimum Diploma in Civil Engineering from any recognized Institute. Experience: Minimum 5 years of experience in preparation of estimates of bridges by using software. The experience may be reduced for the candidates having outstanding performance. |

The applicant will be selected in accordance with the Selection of Individual Consultant (SIC) method as per PPA-2006 and PPR-2008. The applicant must have computer skills in relevant software and will be given preference. Other requirements will be available in Terms of Reference (TOR) set in the SRFA. The copy of **Standard Request for Application (SRFA)** available in the address below should be filled up and delivered to the undersigned in sealed envelope on or before 04 September 2019 during office hours and should clearly be marked as "Expression of Interest (EOI) for Structural Engineer or AutoCAD operator or Estimator". Submission through E-mail (the name of the position mentioned in the subject line) will also be accepted provided it is delivered within the deadline. The procuring entity reserves the right to accept or reject all EOI's.
