Terms of Reference
for
Selection of Senior Local Government Specialist (Planning, Budgeting &
Institution Development)/Consultant

January 2023

Project Background:

The Local Government COVID-19 Response and Recovery Project (LGCRRP) is a 3-year operation of the Government of Bangladesh with financial assistance from the World Bank. LGCRRP's development objective is to strengthen urban local governments' Institute (ULGI) response to the COVID-19 pandemic and preparedness for future shocks.

Component 1: COVID-19 Response Grants (CRGs)

Through Component 1, the project will provide eligible and qualifying ULGIs (329 Pourashavas and 10 City Corporations) with CRGs over a period of three fiscal years. Annual grant allocations will be disbursed on a six-monthly basis, with each eligible ULGI being potentially able to qualify for six 6-monthly grant disbursements over the project period. CRGs will be used by qualifying ULGIs to finance activities that are intended to respond directly to the ongoing COVID-19 pandemic, for purposes of emergency response, immediate relief or socioeconomic recovery. Eligible ULGIs will qualify for CRGs by fully meeting a number of Minimum Conditions (MCs). MCs are intended to ensure that ULGIs have basic capacities in place to use project grants effectively and appropriately.

Component 2: Implementation and capacity development support, digital technology and project management

Through Component 2, the project will finance: a range of activities aimed at supporting ULGI response to the ongoing COVID-19 pandemic, as well as at strengthening ULGIs' medium-long term resilience and crisis-disaster response capacities; and project management functions and activities. Support for the use and application of digital technology will cut across Component 2 activities, aimed at strengthening overall ULGI and project performance in the immediate and medium to long terms.
