Section-1. Information to the Applicants

A. General

1. [Scope of assignment](#)
 - 1.1 The Client has been allocated Public fund for Grater Dhaka Rural Infrastructure Improvement Project-3 and intends to select Individual Consultants for the specific assignment as specified in the Terms of Reference in Section 2.
2. [Qualifications of the Applicant](#)
 - 2.1 Prospective Individuals shall demonstrate in their Applications that they meet the required qualifications and experiences and are fully capable of carrying out the assignment.
 - 2.2 The capability of Individuals shall be judged on the basis of academic background, experience in the field of assignment, and as appropriate, knowledge of the local conditions, as well as language and culture.
[Minimum educational qualifications, required experience and selection criterion have been mentioned in Terms of reference in Section 2]
3. [Eligible Applicants](#)
 - 3.1 Any Bangladeshi national including persons in the service of the Republic or the local authority / Corporations is eligible to apply for the positions

- 3.2 Government officials and civil servants including individuals from autonomous bodies or corporations while on leave of absence without pay are not being hired by the agency they were working for immediately before going on leave and, their employment will not give rise to Conflict of Interest, pursuant to Rule 112 (9) of the Public Procurement rules, 2008
- 3.3 Persons who are already in employment in the services of the Republic or the local authorities/ Corporation etc must have written certification from their employer confirming that they are on leave without pay from their official position and allowed to work full-time outside of their previous official position. Such certification shall be provided to the Client by the Consultant as part of his/her Applications
- 3.4 No person who has been convicted by any Court of Law or dismissed from Services for misconduct shall be eligible for consideration for appointment to a post.
- 3.5 The Applicant has the legal capacity to enter into the Contract
- 3.6 The Applicant has fulfilled its obligations to pay taxes and social security contributions under the relevant national laws.
- 3.7 The Applicant shall not be under a declaration of ineligibility for corrupt, fraudulent, collusive or coercive practices in accordance with Sub-Clause 4.2.
- 3.8 The Applicant shall not have conflict of interest pursuant to the Clause 5

4. [Corrupt,
Fraudulent,
Collusive or
Coercive Practices](#)

- 4.1 The Government requires that Client, as well as Applicants, shall observe the highest standard of ethics during the implementation of procurement proceedings and the execution of Contracts under public funds.
- 4.2 The Government defines corrupt, fraudulent, collusive or coercive practices, for the purposes of this provision, in the **Contract Agreement Sub-Clause 3.4**
- 4.3 Should any corrupt, fraudulent, collusive or coercive practice of any kind come to the knowledge of the Client, it shall, in the first place, allow the Applicant to provide an explanation and shall, take actions only when a satisfactory explanation is not received.

- 4.4 If the Client at any time determines that the Applicant has, directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for, or in executing, a Contract under public funds., the Client shall:
- (a) exclude the Applicant from participation in the procurement proceedings concerned or reject an Application for award; and
 - (b) Declare the Applicant ineligible, either indefinitely or for a stated period of time, from participation in procurement proceedings under public funds.

5. Conflict of Interest

- 5.1 Government policy requires that the Applicant provide professional, objective, and impartial advice, and at all times hold the Executing Agency's (Client's) interests paramount, without any consideration for future work, and strictly avoid conflicts with other assignments or their own corporate interests.
- 5.2 The Applicant shall not be hired for any assignment that would be in conflict with their prior or current obligations or that may place them in a position of not being able to carry out the assignment in the best interest of the Client.
- 5.3 Pursuant to Rule 55 of the Public Procurement Rule 2008, the Applicant has an obligation to disclose any situation of actual or potential conflict of interest that impacts on his capacity to serve the best interest of his Client, or that may reasonably be perceived as having this effect. Failure to disclose said situations may lead to the disqualification of the Applicant or the termination of its Contract.
- 5.4 The Applicant that has a business or family relationship with a member of the Client's staff may not be awarded a Contract, unless the conflict stemming from this relationship has been addressed adequately throughout the selection process and the execution of the Contract.

B. Preparation, Submission & Modification or Substitution of Applications

6. Preparation of Application

- 6.1 Applications shall be typed or written in indelible ink in **English language** and shall be signed by the Applicant. Applicants are required to complete the following Forms:
- ❖ Form 3A: Application Submission Form;
 - ❖ Form 3B: CV of the Applicant; and
 - ❖ Form 3C: Remuneration and Reimbursable

6.2 The Remuneration and reimbursable are subject to negotiations and agreement with the Client prior to finalisation of the Contract.

7. Submission of Application

7.1 Pursuant to Rule-113(5) of the Public Procurement Rules, prospective Applicants can deliver their Application by hand, mail, courier service to the address mentioned in the request for Application advertisement.

7.2 Application shall be properly sealed in envelopes addressed to the Client as mentioned in the request for Application advertisement and bear the name & address of the Applicant as well as the name of the assignment.

7.3 In case of hand delivery, the Client, on request, shall provide the Applicant with a receipt.

7.4 The closing date for submission of Application is **30th June/2021** within 3.00 PM, Applications must be submitted within this deadline. Any Application received after the deadline for submission of Applications shall be declared late, and returned unopened to the Applicant.

7.5 Applications may be modified or substituted before the deadline for submission of Applications.

7.6 The Client may at its sole discretion, extend the deadline for submission of Applications.

7.7 At any time prior to the deadline for submission of Applications the client for any reason on its own initiative may revise the Request for Application Document by issuing an Addendum which shall form an integral part of the Document.

C. Evaluation of Applications

8. Evaluation of applications

8.1 Suitability of the Applicants shall be rated by evaluation on the basis of their academic background, relevant Working Experience and its adequacy for the assignment, knowledge of local conditions as well as language.

8.2 The points to be given under each of the evaluation Criteria are:

Criteria	Points
• Educational Qualification	25 points
• Relevant Working Experience and its adequacy for the assignment	60 points
• Suitability considering age, skill (such as training, computer skills and others).	10 points
Total points:	95 points

8.3 Applicants thus given points as stated under Clause 8.2, not securing the minimum qualifying points **not less than 70** shall be considered disqualified.

8.4 Applications shall be evaluated by the PEC, who shall prepare a short-list of maximum seven (7) Applicants

8.5 The qualified short-listed Applicants as stated under Clause 8.4 shall be invited for an interview to test their aptitude and presentation by the PEC and shall be rated with **five (5)** points.

8.6 Points already secured by the Applicants in the evaluation as stated under Clause 8.5, shall be combined with the points obtained in the interview and a list of maximum three (3) most suitable Applicants ranked in order of merit (1-2-3) shall be prepared.

8.7 In pursuant to Rule 114 of the Public Procurement Rules 2008, there shall be no public opening of Applications.

8.8 The Client shall immediately after the deadline for submission of Application convene a meeting of the Proposal Opening Committee (POC)

8.9 The POC, having completed the record of opening, shall send the Applications received and the opening record to the PEC.

8.10 Following the opening of the Applications, and until the Contract is signed, no Applicant shall make any unsolicited communication to the Client. Such an attempt to influence the Client in its decisions on the examination, evaluation, and comparison of either the Applications or Contract award may result in the rejection of the Application.

9. Application Negotiations

9.1 The first-ranked Applicant stated under Clause 8.5 shall then be invited for negotiations, pursuant to Rule 122 of the Public Procurement Rule, 2008 at the address of the client.

9.2 If this fails, negotiate with the second-ranked Applicant, and if this fails negotiate with the third-ranked Applicant, with the hope that successful negotiations are concluded

9.3 During negotiations, the Client and the Applicant shall finalize the “Terms of Reference”, work schedule, logistics and reporting schedule etc. These documents shall then be incorporated into the Contract as Description of Services”

9.4 The Financial negotiations will involve the remuneration and other reimbursable cost to be paid to the Applicant.

9.5 Negotiations will conclude with a review of the draft Contract. To complete negotiations the Client and the Applicant will initial the agreed Contract.

D. Award of Contract

10. Award of Contract

10.1 After completing negotiations and having received the approval to award the contract, the Client shall sign the Contract with the selected Applicant.

11. Debriefing

11.1 After signature of the Contract, the Client shall promptly notify other Applicants that they were unsuccessful.

11.2 The Client shall promptly respond in writing to any unsuccessful Applicant who request the client in writing to explain on which grounds its application was not selected.

12. Commencement of Services

12.1 The applicant is expected to commence the assignment on **1st August/2021** at **62 West Agargaon, LGED Regional Office, Dhaka 1207**. The duration of the contract shall be **24 Months** from the date of commencement.

Section-2:

Terms of Reference (TOR) for Field Engineer (post-1 person)

1.0 Background of the assignment

“Greater Dhaka Rural Infrastructure Improvement project-3” has been prepared in line with the strategy of the rural development projects for socio-economic development of local people. The proposed development works will provide easy and uninterrupted access to the project area, ensure marketing facility for agricultural products and boost rural economy by creating commercial and employment opportunities which in turn will directly benefit the poor and reduce poverty. With the above background, to create uninterrupted road network and to improve connectivity, this project has been prepared. So, the project would establish communication network and ensure socio-economic development without disturbing environment.

The total revised project cost is Tk.180950.00 Lakh and tenure of the project is July/2017 to June/ 2024. It is a GoB funded project. Under this project, Bridges/Culverts/Roads/Markets etc. will be constructed on rural roads and other places within the Rural Area of District Dhaka, Gazipur, Narayanganj, Manikganj, Munshiganj, Narshingdi under GDP-3 Project. A portion of the project fund will be utilized to employ Individual Consultants comprising: (a) Field Engineer (b) Assistant Field Engineer.

2.0 Objective of Consultancy Services

The objective of the consultancy service is to assist the Local Government Engineering Department (LGED) to construct important Bridges/Culverts/Roads/Markets etc. on rural roads and other places at different location of the country with specified technical standards, quality and time-frame.

3.0 General Scope of the Consultancy Services

The overall scope of work of the consultant is to assist LGED in connection with the design, construction supervision and quality control for the construction of Bridges/Culverts/Roads/Market etc. The service includes but not limited to the following activities:

- (i) Review of all relevant project documents including the hydrological and morphological study report, topographical survey report, sub-soil investigation report, detailed design and drawings, specifications etc and suggest modifications and changes as necessary;
- (ii) Assist the Project Director in overall project management, contract administration, progress monitoring etc.
- (iii) Assist for timely implementation of the project with effective guidance, supervision, and quality control.
- (iv) Check measurements and ensure quality of ongoing and constructed work.
- (v) Assist in identification of implementation problems and provide solutions, co-ordination review project progress and report to the concerned execution authority.
- (vi) Advice PD on contractual matters and give assistance in the settlement of claims or disputes (if any arises), in accordance with the procedure laid down in the Conditions of Contract.

4.0 Specific Scope of Work of Field Engineer

The Field Engineer will work under the guidance of the concerned Project Director. He will be responsible and accountable for his all activities to the Project Director and concerned Executive Engineer. The responsibilities of the Field Engineer would be, but not limited to, the following:-

- a) Review all project documents like digital topographical survey report, sub soil investigation report, land acquisition plan, Hydro-morphological study report, structural designs & drawings, cost estimates, Technical specification, Contract Agreements etc. and give specific comments to the Project Director and Design unit, LGED about modification as necessary to improve sustainability of Bridges/Culverts/Roads/Market etc.
- b) Review all project documents and give suggestions about modifications as necessary to improve sustainability of Schemes under the Project.
- c) Prepare quality assurance plan and assist Project Director & LGED to implement it.
- d) Provide physical layout of implementing schemes as per designs and drawings.
- e) Based on the construction sequence, prepare a Work Plan showing all activities as per work break down structure for the project and propose start and finish date and update the Work Plan every month and inform PD about the activities to be addressed to maintain progress or overcome delays when needed.
- f) Prepare overall supervision plan including step-by-step construction flow chart, supervision & monitoring method of each item of works, approval system, measurement methods, variation approval systems etc.
- g) Collect random samples of construction materials from the Contractor's stack yard and carryout necessary tests to ensure that materials collected by the contractor conform to the specification for roads and bridges.
- h) Brief the contractor about the structural drawings and respond to their all queries. Advise the contractor about approach road alignment; fixing deck elevation and pier positions considering navigational requirement in respect of vertical and horizontal clearance etc as per BIWTA requirement. Check Bench Mark elevation with respect to PWD/SOB for Bridge work
- i) Check sub-soil conditions during boring and casting of the cast-in-situ piles and compare with the design sub-soil report. In case of major deviation, he has to report to PD/LGED/Designers for modification of designs.
- j) Monitor and remain present at the site during Pile Service Load Test (Static & Dynamic) and pile integrity test as carried out by the contractor, check settlements and report deviations if any. He will remain present for important stages of work of Roads, Bridges, Markets etc.
- k) Supervise reinforcement fabrication, reinforcement/cable profile, formworks, scaffolding and concrete casting works maintaining quality of works of Bridges.
- l) Supervise the post-tensioning and girder shifting works, advice as necessary based on the actual ground condition;
- m) Supervise the approach road and river training works. Before any earth filling work, take pre-work in presence of contractor, keep all records about geo-bag & block design in RTW.
- n) Supervise different layer of works of BC & RCC Road Construction.
- o) Assist the Executive Engineer, LGED/Project Director in contract administration, monitor progress with respect to the work plan submitted by the contractor, draft notices in case of major deviations; check time extension requirement of the bid security, performance security etc. as needed. Also inform the XEN/PD about the quarterly cash flow requirements;
- p) Check requirements for day works if reported by the Contractor, ensure proper recording of day works with assistance of the Assistant Field Engineer and the LGED representative. Check all variation claims, propose rates if necessary showing detailed breakdown of rates prior to execution of variation orders;
- q) Hold meetings at the site office as necessary; prepare minutes of meeting and circulate to all concerned.
- r) Keep records of all matters about contract administration, modifications and variations, including management meeting minutes for settlement of claims in future; review the As-Built Drawings as submitted

by the contractor, suggest modification as necessary; ensure submission of an electronic version of the as-built drawing to PD for record.

- s) The consultant shall advise the Project Director on contractual matters in settling contractor's claims. He shall attend adjudication and arbitration sittings if necessary along with LGED representative in connection with the settlement of disputes.
- t) Assist the XEN/Project Director to implement EMP of bridge construction.
- u) Check measurements of constructed works submitted by the contractor and certify the same for payment.
- v) Prepare monthly and quarterly progress report for the project including completion report (approved format) at the closure of the project.

5.0 Reporting Requirement

Inception Report: The Consultant shall prepare an Inception Report within one month of start of the assignment outlining overall work program and samples of monthly progress report both physical and financial. The Inception Report shall include (a) Detailed work Plan of the assignment; (b) Supervision Methodology; (c) Quality Control Procedure and (d) Sample monthly progress report.

Monthly Progress Report: The consultant shall submit a monthly progress report in brief and concise form using the approved format. The report will describe progress of activities planned for previous month along with plan for the next month. The report also state problems encountered, or problems anticipated together with steps taken or recommendations for their correction. The consultant will submit the report to the concerned Project Director.

6.0 Data, Local service and Facilities to be provided by the Client :

6.1 Study Reports, Traffic and Technical Data:

LGED will provide the Consultant with all available data as and when required.

- All relevant studies so far done related to the project;
- Design manuals, standard designs of structures & other infrastructures, PPR-2008, LGED's Unit Rate Analysis and Unit Rates etc.
- Topographical survey map & sub-soil investigation report of proposed Bridge.
- Contract documents including design, drawing, price BOQ, technical specification etc.
- Maps of the country/Project Area and location of the Bridges/Culverts/Roads/Market etc;
- Cost data on recent construction projects; and
- Any other report as available in LGED;

7.0 Working station & Working hour:

The working Station of the consultant will be at the Project Head Quarter Office and if required at any District Executive Engineer's Office within the Project Area. He will be act as a residential consultant. The working hour of the consultant will be same as the Govt. office. He/she shall have to frequently visit the field activities as per requirement of LGED even in holidays as emergency (At least 8 (Eight) days per month). The field Engineer will be worked under the direct control of concerned XEN, LGED and the Project Director. He/she will not leave the working station without prior approval of XEN, LGED and the Project Director. He shall have to take the responsibility of completing the project in time. The expected duration of the assignment is about 24 months and expected to be commenced on 1st August 2021. The duration may be extended if necessary.

8.0 Qualification, Experience & Suitability :

a) Educational Qualification:

- Minimum B.Sc. in Civil Engineering from any Govt. recognized University.

b) Experience & adequacy for the assignment :

- At least 12 years of overall experiences, out of which 10 years relevant experience in supervision of bridge and Road Construction work .
- Knowledge and practical experience in supervision of PC girder bridge construction work of minimum 5 years.

Sd/-

(J. M. Azad Hossain)

Project Director,
Greater Dhaka Rural Infrastructure
Improvement Project-3 (GDP-3).

c) Suitability :

- Computer skill (MS word, Excel, Power point etc, MS Office),
- Training in relevant areas etc.

For outstanding Candidate the experience criteria may be relaxed.

Terms of Reference (TOR) for Assistant Field Engineer

(Post-4 Person)

1.0 Background of the assignment

“Greater Dhaka Rural Infrastructure Improvement project-3” has been prepared in line with the strategy of the rural development projects for socio-economic development of local people. The proposed development works will provide easy and uninterrupted access to the project area, ensure marketing facility for agricultural products and boost rural economy by creating commercial and employment opportunities which in turn will directly benefit the poor and reduce poverty. With the above background, to create uninterrupted road network and to improve connectivity, this project has been prepared. So, the project would establish communication network and ensure socio-economic development without disturbing environment.

The total revised project cost is Tk.180950.00 Lakh and tenure of the project is July/2017 to June/2024. It is a GOB funded project. Under this project, 6 important bridges will be constructed on rural roads at different location of our country. A portion of the project fund will be utilized to employ Individual Consultants comprising: (a) Field Engineer (b) Assistant Field Engineer.

2.0 Objective of Consultancy Services

The objective of the consultancy service is to assist the Local Government Engineering Department (LGED) to construct important Bridges/Culverts/Roads/Markets etc. on rural roads and other places at different location of the country with specified technical standards, quality and time-frame.

3.0 General Scope of the Consultancy Services

The overall scope of work of the Consultant (Assistant Field Engineer) is to assist LGED in connection with the design, construction supervision and quality control for the construction of Bridges/Culverts/Roads/Market etc. The service includes but not limited to the following activities:

- a) Review of all relevant project documents including the hydrological and morphological study report, topographical survey report, sub-soil investigation report, detailed design and drawings estimate specifications etc and suggest modifications and changes as necessary;
- b) Assist the Project Director in overall project management, contract administration, progress & Quality monitoring etc.
- c) Assist for timely implementation of the project with effective guidance, supervision, and quality control.
- d) Check measurements and ensure quality of constructed work.
- e) Assist for the identification of implementation problems and provide solutions, coordination, review project progress, reporting to Project Director.
- f) Advice PD on contractual matters and give assistance in the settlement of claims or disputes (if any arises), in accordance with the procedure laid down in the Conditions of Contract.

4.0 Specific Scope of Work of Assistant Field Engineer

The Assistant Field Engineer will work under the direct guidance of the Field Engineer, District Executive Engineer and the Project Director. He will be responsible and accountable for his all activities to the local XEN/Project Director. The responsibilities of the Assistant Field Engineer would be, but not limited to, the following:-

- a) Review all project documents like digital topographical survey report, sub soil investigation report, Hydro-morphological study report, structural design & drawing, cost estimate, Technical specification, Contract Agreement etc. and give specific comments to the Project Director and Design unit, LGED about Modification as necessary to improve sustainability of Bridges/Culverts/Roads/Market etc.
- b) Assist the Field Engineer, Upazila Engineer for smooth progress and to develop check lists to maintain quality of construction works;
- c) Check correctness of TBM level with respect to nearest PWD level and fix levels of piers, girder soffit etc. as necessary and check formation/ working level of roads.
- d) Check Sub-soil investigation and survey as carried out in the field in connection with the preparation of design.
- e) Check boring works of cast situ piles, check use of bentonite to prevent caving, check placement of reinforcement to avoid caving; measure concrete consumption and to compare it with concrete requirement.
- g) Collect random samples of construction materials from the Contractor's stack yard and carryout necessary tests to ensure that materials collected by the contractor conform to the specification.
- h) Carry out random checking of water cement ratio at the field and suggest adjustment of admixture to attain desired concrete strength;
- i) Collect random concrete samples from different concrete batches for testing in the LGED and site laboratory and report the findings to the XEN, LGED and the Upazila Engineer & Field Engineer;
- j) Collect samples of reinforcing bars, post tension cables, bearings etc. for sending to the BUET for testing;

- k) Supervise all construction works of Bridges/Culverts/Roads/Market etc. and assist the Field Engineer to control quality of construction;
- l) Supervise and record day works as performed by the Contractor and report to XEN, LGED and the Upazila Engineer & Field Engineer for verification;
- m) Collect rates of different basic materials in connection with fixing rates of variation orders if necessary, calculate the rates and report to the XEN, LGED and the Upazila Engineer & Field Engineer;
- n) Supervise different layer of works of BC & RCC Road Construction.
- o) Check measurements of different item of works and assist XEN/PD in preparation and checking of bills as submitted by the contractor.
- p) Prepare overall supervision plan including step-by-step construction flow chart, supervision & monitoring method of each item of works, approval system, measurement methods, variation approval systems etc.
- q) Supervise reinforcement fabrication, formworks, scaffolding and concrete casting works maintaining quality of works.
- r) Supervise the post-tensioning and girder shifting works, advice as necessary based on the actual ground condition;
- s) The consultant shall also be responsible for supervising and providing support to the LGED officials and staff to construct other large bridges in the neighboring districts if directed by the Project/LGED authorities. His service shall also include providing necessary support to the LGED Design Unit in review of preparation of detailed drawings, preparation of estimates and bill of quantities etc.

5.0 Reporting Requirement

Inception Report: The Consultant shall prepare an Inception Report within one month of start of the assignment outlining overall work program and samples of monthly progress report both physical and financial. The Inception Report shall include (a) Detailed work Plan of the assignment; (b) Supervision Methodology; (c) Quality Control Procedure and (d) Sample monthly progress report.

Monthly Progress Report: The consultant shall submit monthly/quarterly progress report in brief and concise form using the approved format. The report will describe progress of activities planned for previous month along with plan for the next month. The report also state problems encountered, or problems anticipated together with steps taken or recommendations for their correction. The consultant (AFE) will submit the report to the concerned XEN LGED and Project Director through Field Engineer.

6.0 Data, Local service and Facilities to be provided by the Client :

6.1 Study Reports, Traffic and Technical Data:

LGED will provide the Consultant with all available data as and when required.

- All relevant studies so far done related to the project;
- Design manuals, standard designs of structures & other infrastructures, PPR-2008, LGED's Unit Rate Analysis and Unit Rates etc.
- Topographical survey map & sub-soil investigation report and other test reports.
- Contract documents including design, drawing, price BOQ, technical specification etc.

CONTRACT CEILING (1) + (2)	
----------------------------	--

Section-4. Contract Forms

The ***Contract Agreement***, which once completed and signed by the Client and the Consultant, clearly defines the Client's and Consultants' respective responsibilities.

4.1 Contract Agreement (Time-based)

THIS CONTRACT (“the Contract”) is entered into this day of [dd/mm/yy], by and between [insert name of Client] (“the Procuring Entity”) having its office at [insert address of Client], and [insert name of Consultant] (“the Consultant”) having his/her address at [insert address of Consultant].

WHEREAS, the Client wishes to have the Consultant performing the Services hereinafter referred to, and

WHEREAS, the Consultant is willing to perform these Services,

NOW THEREFORE THE PARTIES hereby agree as follows:

General

1. **Services**
 - 1.1 The Consultant shall perform the Services specified in Annex A (*Description of Services*), which are made an integral part of the Contract.
2. **Duration**
 - 2.1 The Consultant shall perform the Services during the period commencing from [dd/mm/yy] and continuing until [dd/mm/yy], or any other period as may be subsequently agreed by the parties in writing.
3. **Corrupt, Fraudulent, Collusive or Coercive Practices**
 - 3.1 The Government requires that Client, as well as Applicants, shall observe the highest standard of ethics during the implementation of procurement proceedings and the execution of Contracts under public funds.
 - 3.2 The Government defines corrupt, fraudulent, collusive or coercive practices, for the purposes of this provision, in the **Sub-Clause 3.5**
 - 3.3 Should any corrupt, fraudulent, collusive or coercive practice of any kind come to the knowledge of the Client, it shall, in the first place, allow the Applicant to provide an explanation and shall, take actions only when a satisfactory explanation is not received.
 - 3.4 If the Client at any time determines that the Applicant has, directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for, or in executing, a Contract under public funds., the Client shall:
 - (a) exclude the Applicant from participation in the procurement

proceedings concerned or reject an Application for award;
and

- (b) Declare the Applicant ineligible, either indefinitely or for a stated period of time, from participation in procurement proceedings under public funds.

3.5 The Government defines, for the purposes of this provision, the terms set forth below as follows:

“corrupt practice” means offering, giving or promising to give, receiving, or soliciting either directly or indirectly, to any officer or employee of a Client or other public or private authority or individual, a gratuity in any form; employment or any other thing or service of value as an inducement with respect to an act or decision or method followed by a Client in connection with a Procurement proceeding or Contract execution;

“fraudulent practice” means the misrepresentation or omission of facts in order to influence a decision to be taken in a Procurement proceeding or Contract execution;

“collusive practice” means a scheme or arrangement between two (2) or more Persons, with or without the knowledge of the Client, that is designed to arbitrarily reduce the number of Tenders submitted or fix Tender prices at artificial, non-competitive levels, thereby denying a Client the benefits of competitive price arising from genuine and open competition; or

“coercive practice” means harming or threatening to harm, directly or indirectly, Persons or their property to influence a decision to be taken in the Procurement proceeding or the execution of a Contract, and this will include creating obstructions in the normal submission process used for Tenders, Applications, Proposals or Quotations.

- | | |
|---|---|
| 4. Applicable Law | 4.1 The Contract shall be governed by and interpreted in accordance with the laws of the People’s Republic of Bangladesh |
| 5. Governing Language | 5.1 The language governing the Contract shall be English, however for day to day communications in writing both Bangla and English may be used. |
| 6. Modification of Contract | 6.1 The Contract shall only be modified by agreement in writing between the Client and the Consultant. |
| 7. Ownership of Material | 7.1 Any studies, reports or other material, graphic, software or otherwise, prepared by the Consultant for the Client under the Contract shall belong to and remain the property of the Client. |

7.2 The Consultant may, with the prior written approval of the Client, retain a copy of such documents and software, but shall not use them for purposes unrelated to the Contract.

8. [Relation between the Parties](#)

8.1 Nothing contained in the Contract shall be construed as establishing or creating any relationship other than that of independent Consultant between the Client and the Consultant.

9. [Contractual Ethics](#)

9.1 No fees, gratuities, rebates, gifts, commissions or other payments, other than those shown in the Contract, shall have been given or received in connection with the selection process or in the contract execution.

Payments to the Consultant

10. **Ceiling Amount**
- 10.1 The Client shall pay the Consultant for the Services rendered pursuant to 'Description of Services' 'a ceiling amount not to exceed Tk [insert amount], which includes remuneration and reimbursable expenses as set forth in Clauses 10.2. These amounts have been established based on the understanding that it includes all of the Consultant's costs as well as any tax obligation that may be imposed on the Consultant.
- 10.2 The composition of the Remuneration and Reimbursable which make up the ceiling amount are detailed in Annex B
11. **Remuneration**
- 11.1 The Client shall pay the Consultant for Services rendered with the rates agreed and specified in **ANNEX B** "Cost estimates for Services and Schedule of Rates". Remuneration rates shall be on monthly/daily/hourly [delete those inappropriate]
- 11.2 **Monthly Rate:** The time spent in performing the Services shall include travel time, weekends and public holidays, and to the extent specified in Clause 15.2 shall also include periods of casual leave and sick leave. In cases where only part of a month is worked then remuneration shall be computed by dividing the monthly rate by 30 and multiplying by the number of days worked i.e. time spent (as described above) during that month;
- or**
- Daily rate:** The time spent in performing the Services shall be determined solely on the basis of the number of days actually worked by the Consultant, and shall include travel time, but not weekends, public holidays, casual or sick leave
- or**
- Hourly rate:** The time spent in performing the Services shall be determined solely on the basis of the number of hours actually worked by the Consultant, and shall include travel time, but not weekends, public holidays, casual or sick leave.
12. **Reimbursable**
- 12.1 **Per Diem Allowance:** The Consultant shall, when performing the Services away from the duty station, be entitled to per diem allowance in accordance with the agreed per diem rates.
- 12.2 **Travel Costs:** The Consultant shall, when performing the Services away from the duty station, be entitled to travel costs in accordance with the agreed travel costs.

12.3 **Other Expenses:** The Consultant shall, when performing the Services, be entitled to reimbursement of any other expenses as detailed in **Annex B**.

12.4 For other reasonable reimbursable expenses not falling within the above three categories, but which may arise during performance of the Services, such expenses will only be reimbursed by the Client as it may at its sole discretion approve, subject to available of budget.

13. Payment Conditions

13.1 **Currency:** Payments shall be made in Bangladesh Taka by the end of each calendar month or within fifteen (15) calendar days of receipt of the Invoice as the case may be.

13.2 **Advance Payment:** The Consultant shall, if he/she so requests, be entitled to a total advance payment, as specified in Annex B, to cover his/her out-of-pocket expenses which are to be recovered in equal installments from monthly amounts due to him/her.

[For aid funded procurement Advance Payments may be applicable. However, for 100% GOB funded procurement Advance payments shall not be applicable unless otherwise specifically decided by The Government.]

13.3 **Monthly Payments:** The Consultant shall submit an Invoice for Remuneration and Reimbursable at the end of every month and payments shall be made by the Client within fifteen (15) calendar days of receipt of the invoice.

13.4 **Final Payment:** The final payment shall be made only after the final report shall have been submitted by the Consultant and approved as satisfactory to the Client. If the Client notifies any deficiencies in the Services or the final report, the Consultant shall promptly make any necessary corrections, to the satisfaction of the Client.

13.5 **Suspension:** The Client may, by written notice of suspension to the Consultant, suspend all payments to the Consultant hereunder if the Consultant fails to perform his/her obligations under this Contract.

13.6 **Refund of Excess Payment:** Any amount if paid to the Consultant in excess of the amount actually payable under the provisions of the Contract shall be reimbursed by the Consultant within thirty (30) days of receipt of the claim from the Client, provided that such claim is lodged within three(3) months after the acceptance of the final report.

Obligations of the Consultant

14. **Medical Arrangements** 14.1 The Consultant shall, before commencement of the Services furnish the Client with a medical report providing evidence satisfactory to the Client that the Consultant is in good health and is not subject to any physical or mental disability which may interfere with his/her performance of the Services.
15. **Working Hours and Leave** 15.1 The Consultant shall, when engaged directly with the Client, follow the normal Working Hours and Holidays of the Client, and entitlement to leave as per the Client's Rules.
- 15.2 The Consultant's remuneration shall be deemed to cover leave except otherwise specified in the Contract.
16. **Performance Standard** 16.1 The Consultant undertakes to perform the Services with the highest standards of professional and ethical competence and integrity.
17. **Contract Administration** 17.1 **Client's Representative**
The Client's representative, as indicated in Annex A, shall be responsible for the coordination of all activities under the Contract.
- 17.2 **Timesheets**
The Consultant providing Services may be required to complete standard timesheets or any other document to identify the time spent, as requested by the Client's Representative.
18. **Confidentiality** 18.1 The Consultant shall not, during the term of the Contract or within two years after its expiration, disclose any proprietary or confidential information relating to the Services, the Contract or the Client's business operations without the prior written consent of the Client.
19. **Consultant's Liabilities** 19.1 The Consultant shall continue to cooperate with the Client after the termination of the Contract, to such reasonable extent as may be necessary to clarify or explain any reports or recommendations made by the Consultant.
- 19.2 The Consultant shall report immediately to the Client any circumstances or events which might reasonably be expected to hinder or prejudice the performance of the Services.
20. **Consultant not to be Engaged in Certain Activities** 20.1 The Consultant agrees that, during the term of the Contract and after its termination, the Consultant shall be disqualified from providing goods, works or services (other than any continuation of

the Services under the Contract) for any project resulting from or closely related to the Services.

Obligations of the Client

21. **Services, Facilities and Property** 21.1 The Client shall, free of any charge to the Consultant, make available for the purpose of carrying out the assignment data, local services, personnel, and facilities indicated in Annex A.

Termination and Settlement of Disputes

22. **Termination** 22.1 **By the Client**
- The Client may terminate the Contract by not less than twenty-eight (28) days written notice to the Consultant, Such notice to be given after the occurrence of any event necessitating such termination.
- 22.2 **By the Consultant**
- The Consultant may terminate the Contract, by not less than twenty eight (28) days written notice to the Client, if the Client fails to pay any monies due to the Consultant pursuant to the Contract.
23. **Dispute Resolution** 23.1 **Amicable Settlement**
- The Client and the Consultant shall use their best efforts to settle amicably all disputes arising out of or in connection with this Contract or its interpretation.
- 23.2 **Arbitration**
- If the dispute cannot be settled the same may be settled through arbitration in accordance with the Arbitration Act 2001 of Bangladesh as at present in force. The place of Arbitration shall be in Dhaka.

IN WITNESS WHEREOF the parties hereto have signed this agreement the day and year first above written.
